

MARINERS! eScrip is giving Aptos High money...

AHS gets free money every time you shop*

eScrip has given away over **\$140 million** to schools and organizations since 1999.

eScrip is a national fundraising program that is sponsored by corporations and local companies.

Sponsors donate to groups like Aptos High based on participant's purchase amounts. As an example, Safeway donates between 1%-4% of your total bill each month and Macy's donates 6%.

In 2006, eScrip donated **\$23,273** to **Harbor High**, but only \$6,737 to Aptos High

Yes – they beat us by \$16,536. We need to catch up!

Only about 20% of current Aptos High families are signed up with eScrip. We have a few grandparents, aunts and uncles and friends as well, but we are missing most of our families. Are you already signed up with eScrip for another organization? You can split your donations. **We need your help NOW**

What does eScrip cost?

NOTHING! You don't pay more for your purchases, no added fees; it is funded completely through the sponsors. Participating merchants will make contributions to Aptos High based on your purchases.

Who are the sponsors?

Locally, two major sponsor stores are Safeway and Macy's. Over 20 local restaurants are also sponsors (upon signup with eScrip Dining & Hotel Rewards and a registered credit card).

Online participants number in the thousands, including: Dell, Apple Store, Staples, Old Navy, DriversEd.com, Lands End, Eddie Bauer, Expedia, Orbitz, Kaplan Test Prep, Barnes and Noble, Nordstrom, Sears, Zappos, Omaha Steaks, Hickory Farms, Sharper Image, NutriSystem, eBay, Home Depot, Circuit City, and many more...

How do you sign up your Safeway or Macy's cards?

A few very easy steps! Visit www.eScrip.com. Click on "sign up". Choose your school: (Aptos High ID number is 6592497.) Register your cards and remember to **swipe** your Safeway card to receive credit. You can also add credit/debit cards (eScrip is VeriSign Secure) so AHS can earn credit for online shopping.

Will you help? Will you register your Safeway and/or Macy's cards?

- Yes, but I would like some help signing up or changing my information.
- Yes. I have visited eScrip.com and registered my Safeway and Macy's cards. I understand that I need to **swipe** my Safeway card (not just put in my phone number) in order to receive credit.
